Introducing the inimitable Mr. Big Bad Wolf!

The most ravishing rock star of any fairy tale, who will huff and puff... and make everyone burst with laughter in a show that is perfectly adapted for English lessons. Don't miss out as the group of smart and cheeky piggies face this not-at-all-terrible wolf in a musical duel that will make everyone shake to the rhythm. A famous classic with surprising effects, catchy songs and totally adapted to the children's level to provide a unique experience. Come to the theatre for some guaranteed fun.

> Perfect for...

The youngest children in school to enjoy an immersive English experience.

> Don't miss...

The fun moments of audience participation sprinkled throughout the story.

> Did you know?

In addition to the lesson about preparation and effort, *The Three Little Pigs* also teaches about the importance of responsibility and making the right decisions. In recent years, the fairy tale has seen some modern re-interpretations exploring themes like friendship, resilience and collaboration.
